

INTRODUCING EASTVIEW AT HOME

Stay in the Home You Love.

Live safely, comfortably, and independently — right where you already feel at home.

EastView at Middlebury is proud to bring our trusted, local expertise straight to your front door. EastView at Home (EV@Home) makes the homes you love safer and easier to live in, so aging in place feels like a comfortable choice — not a compromise.

How we can help

- ✓ Entryways & Exterior Access — ramps, railings, and safer paths in
- ✓ Bathroom Safety & Accessibility — grab bars, walk-in showers, non-slip flooring
- ✓ Kitchen Accessibility — reachable, easier-to-use spaces
- ✓ Smart Home Technology — added convenience and peace of mind for the whole family
- ✓ Maintenance Services — the small repairs that add up
- ✓ Construction Services — bigger projects, done right and when you need them

Meet the team behind it

Chuck Wade, Facilities Director, and Ryan Crowningshield, Lead Carpenter — over 45 years of combined, fully-insured experience, right here in our own community.

Let's talk about your home.
